## ABOUT US

Miami Wave is a family-owned, family-operated and family-oriented volleyball club, founded in 2019 by Marco Paglialunga, long-time Italian Volleyball National Team Coach, and Mia Causevic, a Croatian Pro player that played in the top League in Italy (Serie A) for numerous years, before moving to Florida.

We are new to Miami, but we are not new to volleyball. With more than 40 YEARS OF COMBINED VOLLEYBALL EXPERIENCE, we are becoming one of the top volleyball schools in South Florida with the mission of *teaching life lessons through the sport of volleyball.*

With more than 400 active members, Miami Wave is waiting for you to become stronger and better in 2024.

## TRYOUTS PROCESS

Miami Wave is running 2 tryouts sessions for the 2023-24 season (June 4th and July 13-17th).

At the end of our July session, our coaching staff will draft an assessment of each player.

From **July 1st (end-of-season for AAU Nationals)**, we will start sending out offer letters via email for the portion of our spots that will be offered during the June session. The remaining spots will be filled after our second tryouts in July.

If you receive an offer to be part of one of our 2023-24 teams, you must **secure your spot by filling out the registration form you will receive via email, and paying the registration fee online no later than 48 hours after receiving the offer letter.** After that time, we will start contacting players on the waiting list.

If you don't receive an email from us before **July 18th**, feel free to contact the club directors by phone or email.

Please, be aware that while we would love to provide a spot to each of you in one of our competitive teams, we have limited space available.
